

From what resources did you directly take code?

A: None

Did you cite these resources directly in your code via comments and make it clear where the code that is not yours begins and ends? If you have not done so yet, please cite these resources directly in the code so that you can answer yes to this question.

A: Me and my group mates, we do all programing ourself.

What resources did you use as a reference for your assignment? Other than people in your group, with whom did you discuss the assignment?

A:None, I just discuss my assignment with my group mates.

If you are working in a group, please indicate the names of the group members and the contributions that each group member made, including yourself.

A:

Yangyang Liu 10442136    Yuanxin Liu 10442274 .

YuanxinLiu did the test cases. YangyangLiu did the calculator.

Did all group members materially participate in the submitted version of the assignment/lab? If not, who did not participate in this version?

A: Yes.

If this is a resubmission attempt, please detail what changed between the versions of the program.

A: This is my first submission.
